SOMETHING TO FLIP OVER.

Introducing the MOTOROLA FLIPOUT™ with MOTOBLUR™ - an innovative phone that's as unique as you are. Most intriguing is how its touch screen rotates on a hinge to expose a QWERTY keypad with a separate number row for easy.

MOTOBLUR is the only service that can sync all your friends, emails, messages, Facebook™, MySpace, Twitter and happenings with continuous updates and back-ups

Most of what you need is in the touchscreen and three simple keys on the front:

Menu: Open menu options.

Your phone =

- Home: Go to the home screen and apps menu.
- Back: Go back one screen.

If you want a full keyboard (good for texting, or searching in

your Contacts list), just open the phone.

Let's get you up and running

email account and a memorable password—these will Tip: Your phone comes with a microSD memory card become your MOTOBLUR account ID and password. already installed. Make sure it's inserted. Some apps, like Registration is secure and should only take a few minutes. camera and camcorder, need the memory card to work. **Note:** This phone supports data-intensive apps and

Caution: Before assembling, charging or using your services. It is strongly recommended that you purchase a phone for the first time, please read the important data plan that meets your needs. Contact your service Safety, Regulatory & Legal information provided with provider for details.

Create or log into a MOTOBLUR account. Use an existing

- It's all in the touch:
- Touch: Choose an icon or option.
- Touch & Hold: Open options.
- Drag: Scroll or move slowly.
- Flick: Scroll or move quickly.
- Pinch-to-zoom: Get a closer look at maps, web pages. or photos.

The home screen gives you all your latest information one place. It's what you see when you turn on the phone touch Home 📵 from a menu.

Use the widgets, shortcuts and panels to see what's important to you—whether it's home, work or play. To make the home screen yours, see "Personalize"

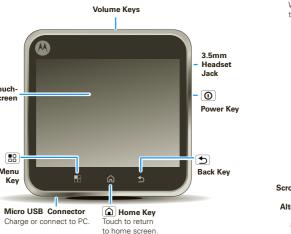

Go ahead, add your personal touch. Change your widgets wallpaper, ringtone, and more—make it yours.

 Home screen: Touch and hold an empty spot until you see the Add to Home screen menu.

Tip: To move or delete something, touch and hold it, then drag it to another spot or the trash can.
